

TWO-PIECE PUNCHES

Pins and Holders used in two-piece punch applications are available on request. The pins are designed specifically to customer requirements and come in a variety of recess types. Two-piece punches are typically used for applications where solid-type punches are impractical. Usually, customer dimensional criteria are requested to develop custom made pins to suit your needs.

WARNING

Any heading punch may break or shatter under improper use. Government regulations require use of safety glasses and other appropriate safety equipment at all times in the vicinity of use.
